

# Jags 'n' Jam

## Breakfast at Mimi's Cafe

Did you have one of THOSE work weeks? Did you hit the snooze 5 times last Saturday? LUCAS wiring repairs getting you down? Don't want to make a meal and clean up? Then grab some couch cushion change, jump in your Jag (the one that runs!), and treat yourself to JAGS 'n' JAM #2 breakfast at Mimi's Café in Tustin. Kick your tires, or someone else's without getting caught of course! This is an informal breakfast option for anyone who wants an option in this area. Easy access off the 22/55 freeways. Great option for folks anywhere from San Clemente to Artesia to Los Alamitos to Chino Hills. RSVP optional.
