

THE INTERNATIONAL JAGUAR FESTIVAL is scheduled for October 20 - October 24, 2021, brought to you by the Jaguar Club of North America (JCNA) and hosted by the Jaguar Club of Southwest Florida (JCSWF). Jaguar clubs helping with the events are the Jaguar Club of Florida out of Orlando, FL, and the Sun Coast Jaguar Club out of Sarasota, FL.

To Jaguar owners and enthusiasts, the International Jaguar Festival (**IJF**) is the most relevant event of the year, in which we celebrate the Iconic Marque name of the Jaguar Automobile.

Celebrating the event with Jaguar, we are immensely proud to announce the charity for the event is the **Golisano Children Hospital**, the only children's hospital between Tampa and Miami, home to the region's only Neonatal Intensive Care Unit (NICU). It includes comprehensive pediatric services, including a 24-hour pediatric emergency department, hematology-oncology unit, milk lab, regional Perinatal Intensive Care Center, and Level II and Level III Neonatal Intensive Care Unit. Golisano Children's Hospital provides vital health care for children from infancy through age 18. We are extremely proud that Golisano Children Hospital is part of this year's IJF.

The COVID-19 pandemic is under control, where many people have had or will have shots by October of this year. With that said, we (JCSWF and JCNA) see this year's IJF by all indications an extraordinary event.

Disclaimer:

If the 2021 IJF is canceled, IJF Sponsorships and Participant Fees previously paid will immediately receive a full refund.

Note: If the event is canceled, we will notify you a couple of months before the event to cancel your hotel reservations.

Attached to this email are two attachments.
The IJF announcement and the Schedule of Events.
