About the winery:

In the Spring of 2009, the first three acres were planted at Vineyard Grant James, and now there are seven and a half acres planted on our beautiful property. Our vineyard, with sweeping

views of the valley, is ideally situated for growing and harvesting a variety of grapes. Our main varietals include Syrah, Merlot, Sangiovese, Orange Muscat, Greco, Refosco and Nebbiolo.

At Vineyard Grant James, we strive to express the purest form of wine. When you drink a Vineyard Grant James wine, we want you to feel the sense of place and hard work that went into making that bottle the best. We use all of our estate grapes, as well as source grapes from other local vineyards in Ramona Valley. We want to keep Ramona wine pure and focus on the boutique quality that stays true to the region.

Come taste the beauty of Vineyard Grant James wine on our stone veranda overlooking our Sangiovese vineyard and the hills of the Ramona Valley. You will be welcomed with pure hospitality and have the opportunity to experience luxury wine in a perfect relaxed countryside setting. We hope that you come to visit us in Ramona, California for the chance to enjoy our wine and share in the simple pleasures of good wine and good people.

While you're here be sure to try our popular and award-winning wines, including: Viognier, Rose of Syrah, Sangiovese, Zinfandel, Nebbiolo, Merlot, Syrah and Petite Sirah.

About the Owner and Winemaker: Susanne Sapier

Susanne has always had a passion for good wine and great fun. In late 2008 she decided to buy a piece of property in Ramona, CA and start a vineyard. Just 3 weeks later, in early 2009, they planted their first vine on the property. While waiting for the new vines to produce good grapes, Susanne started wine making. In 2011, she started using her estate grapes to make her wine. In 2013 she opened the Vineyard Grant James tasting room to the public and to this day she loves to see people enjoying her wine and the atmosphere of a boutique winery in the Ramona valley. The winery is named after Susanne's son Grant, and her father James. Susanne very much enjoys crafting wine and experimenting with blends.
